The Student Mentor Programme (SMP) is a programme of student community,within The National Institute of Engineering (NIE) ,Mysuru.with the following primary objectives:

- Enabling constructive interaction,guidance and mentorship of junior students
- Providing a reliable and comprehensive support system to motivate students to excel in both academic and non-academic fields to make the most of their life at the Institute.
- Provide them one such friend among the seniors,with whom they can freely share their problems ,ask any queries which they otherwise feel shy to ask or share.

Essential Qualities of a Student Mentor(SM) :

- Ethics are of paramount importance for SMs and they should be able to instill the same in their mentees .
- SMs should be academically inclined and capable of persuading others to be the same.
